The Shift: The Dramatic Movement
Toward Health Centered Dentistry
(Integrative Dental Medicine)

Dear Exhibitor:

The Delaware State Dental Society extends a special invitation to you and your company to exhibit during our 2023 Continuing Education Series with four courses offering exhibitor opportunities – our 2023 Annual Session on May 12, 2023, at the Rehoboth Beach Country Club, Rehoboth Beach, DE; and three CE events on March 10, 2023, September 29, 2023 and November 3, 2023, all held at the Hilton Wilmington/Christiana, Newark, DE.

These programs have been designed for the entire dental team as you will see listed to the left.

The CE series is scheduled to provide opportunities for registrants to visit the exhibitors with a welcome continental breakfast, mid-morning beverage break and extended luncheon hour. Our attendance grows yearly, with dentists and staff members attending each session.

Attached you will find an exhibitor agreement that outlines what you will receive as a special participant in this year's 2023 CE events...

- **One six-foot draped table, two chairs and wifi**
- **Continental breakfast, mid-morning break and lunch for two company reps**
- **Opportunity to attend the CE courses to learn what is new and upcoming in the dental profession**
- **Complimentary parking**

We are offering exhibit space at each individual course for \$700.

If you are interested, please mail the DSDS office today to reserve your space. Send your completed 2023 DSDS CE Exhibitor Agreement Form to:

DSDS
892 Eichele Road
Perkiomenville, PA 18074

We look forward to seeing you in 2023.
