

*The Delaware State
Dental Society invites
you to join our
new endorsed
programs.*

*Recently
the Delaware
State Dental
Society
co-endorsed
with ADA Business
Resources its high-
quality products and
services to provide you with
discounts and generate royalties for
the DSDS. These royalties based on member
participation can become a key to non-dues income
and lead to an increase in member benefits. Listed
here are nine of those companies. The costs of our
endorsed products are never inflated to generate
royalties. Information for each program is included.*

Visit: usbank.com/ada38224

Call: 888-327-2265, ext. 38224

*Certain restrictions and exclusions may apply. Individual transactions are evaluated by U.S. Bank based on factors such as suspected fraud, account history, credit record, payment resources, revolving balances, prior cash advances, and safety and soundness considerations.

**Accounts must be open and in good standing (not past due) to earn and redeem points.

The creditor and issuer of the ADA Visa Card is U.S. Bank National Association, pursuant to a license from Visa U.S.A. Inc. © 2015 U.S. Bank National Association

Accept Payments Your Way

With Chase Checkout, you can accept payments in your practice, online, or anywhere.

Whether you take payments from your patients at the front office, over the phone, or just need access on the go, we have the right solution for you. Now you can accept payments securely and conveniently no matter where you are.

Contact your practice specialist representative today. 800-618-1666

BENEFITS AT A GLANCE

Chase EMV Checkout

- Accept payments more securely with chip cards
- Allows payment with mobile wallets

Chase Online Checkout

- Accept payments online or by phone
- Send digital receipts to patients

Chase Mobile Checkout

- Accept payments securely
- View reporting anywhere
- Use with Apple or Android devices

Chase Checkout solutions are available to U.S. Merchants accepting transactions within the U.S. only Chase Mobile Checkout requires a compatible Apple or Android smartphone or tablet, the Chase Mobile Checkout application, a Chase Paymentech merchant account, and the Chase Mobile Checkout card reader. There is no charge to download the Chase Mobile Checkout app, but there may be charges associated with the purchase and shipment of the card reader. When using the app, message and data rates may apply. Such charges include, but are not limited to, those from your communications service provider. In addition, all applicable processing fees outlined in the merchant services contract with Chase Paymentech will be assessed for all transactions initiated through the app. Chase Retail Checkout requires Chase Paymentech merchant account and either (a) a future proof terminal (iCT250); or (b) Chase Paymentech Virtual Terminal, a card reader or PIN pad and an optional receipt printer.

Chase Online Checkout requires the Chase Paymentech virtual terminal and a Chase Paymentech merchant account.

Turn on-hold time into **patient education time.**

A personalized on-hold message not only promotes your practice, it also builds good will and appreciation among the patients who benefit from your messages. And InTouch Practice Communications make it so easy. Our skilled writers understand the needs of dental practices like yours and will craft a custom demo just for you at no charge.

Save \$300 on an InTouch System—an exclusive price for ADA Members only. Purchase the Flex Plan and benefit from unlimited message and music changes!

THE DIGITAL Dental Record

Increase **efficiency, productivity and security** with The Digital Dental Record.

The Digital Dental Record provides resources for the latest in digital workflow and business optimization solutions for a dental office.

DentForms by MedicTalk – Go paperless with DentForms. This digital signature software solution allows you to keep completely paperless patient records. Create your own forms or use the forms provided. Patients complete forms online prior to their visit and their information is automatically transferred back to your office. ADA members receive \$200 off a paperless software package.

DDS Safe – DDS Safe is a HIPPA compliant online backup system that provides dental offices triple the protection of traditional online back-up products at a price that is up to 50% less than the competition. Members receive one month free.

From the front desk to the back room, discover efficient and cost effective workflows to enhance the profitability of your practice. Call The Digital Dental Record today!

For 27 years, CareCredit has been focused exclusively on healthcare financing and has helped millions of patients receive needed and desired care.

CareCredit is a healthcare credit card that can be used as a financing option for certain expenses not covered by insurance or to bridge payment when desired care exceeds insurance coverage. It is accepted at more than 180,000 healthcare practices — including over 100,000 dental practices nationwide.

Already accept the CareCredit healthcare credit card? Learn more about how CareCredit can help you grow your practice and help more patients by contacting your Practice Development Team at 800-859-9975, press 1, then 6.

Ready to enroll? Call 866-246-9227 to get started.
